## Trustees -

- none

**Old Business** - vote for Improvement and Maintenance recommendations, price for weights on new tent (to hold down): Mary Alpter

- Mary: Weights pack of 6, \$98 at one site. Chip recommend bags that wrap around vs. clip prices online range \$50-\$100. Chip agreed to the 20 lb., but Mary will submit to Steering committee on 22<sup>nd</sup> of November
- Vote for Recommendations must approve/deny all submissions as one.
  - Unanimous approval of a motion to pay #1323.00 to fund the request made by Boys Basketball for two portable whiteboards. JoAnn Reynolds contacted the company and was given a \$55.00 discount on shipping. The approved amount reflects this discount.
  - Unanimous approval of a motion to pay \$1800.00 to fund the request made by Boys Cross Country and Boys Track & Field for an Identilynx Camera. JoAnn Reynolds did research and found that we could get a 10% discount on the purchase by adding the company's link to our website and making the purchase via this link. The \$1800.00 figure reflects this 10% discount. NOTE: The approval of this request is being made with the provision that Coach Agristi elect a Trustee for the Boys Track Team prior to the release of funds with a deadline of Dec. 1 2010. (Trustee was named: Nov. 1, 2010)
  - Unanimous approval of a motion to pay \$9940.00 to each Baseball and Softball towards construction of a press box at each sports Varsity field. NOTE: The approval of this request is made with multiple conditions. These include:
    - The buildings will be identical, using the same plans, built by same builder to reduce the cost. There is a possibility that the building dimension may be slightly altered to fit the location at the softball field.
    - Baseball/Softball will obtain approval of the plans, by the HCSD building and Grounds Committee and the needed government agency (either the EPA or Brown Township) by Feb. 1<sup>st</sup>, 2011
    - Baseball and Softball must use their own funds towards the construction product prior to the release of the approved Booster funds.
    - The approved Booster funds must be used prior to Sept. 1, 2011
    - If any of the above requirements cannot be met for reason beyond the Baseball/Softball trustee's control (ie: EPA has required documents but doesn't give approval in a timely fashion) a request for an extension to the deadline may be brought to the committee.
- Steering Committee passed items to final vote in General session
- Discussion:
  - Cross Country/Track: Identilynx Camera, will complement system we already have. Will save money in the end to purchase vs. rent. Will be source of fundraising for teams (Cross country and Track) Will also be drawl for other schools to host events at Bradley
  - Question asked if the sports committed to dollar amount: yes in their initial application

- There is specific form (on website)
  - These items were the only request that was reserved by the committee. All items that were submitted did get put on ballot
  - Question: if one sport raises total funds and other doesn't then the sport that has total will get the building completed. There is a Sept 1 deadline, if not completed then the boosters funds go back in general fund.
  - The boosters have the money and the goal of this group is to support the athletics and their sport teams. The committee validates the need and then passes on their recommendations.
  - Motion to approve: 1<sup>st</sup> Barb Webber, 2<sup>nd</sup> Mary Gossard
- VOTE RESULTS: (members only given ballots) motion passed with majority

**New Business** - none

**Announcements** - none

**Adjournment 1<sup>st</sup>:** Kelly Montgomery, 2<sup>nd</sup> Mary Gossard, motion approved 8:33 PM

**Next Meeting to be held on December 13, 2010 at 7:00 PM at Hilliard Bradley High School**
